I have lived in Blossom Valley for 16 years and think this will elevate the area tremendously. The homes and lots in that close surrounding area are really not well cared for and this would make quite an improvement to the neighborhood!</p> <p>If you need further comments. Call me</p> <p>Sincerely,</p> <p>BTW... I am in no way affiliated with the project.</p> <p>Steele Sacks Cel 858-205-3817 Fax 866-282-7916 steelsacks@gmail.com www.linkedin.com/pub/stele,sacks/6/3261/777</p> <p><small>Get a signature like this: Click here!</small></p>	<p>Response to Comment Letter H</p> <p>Steele Sacks November 30, 2015</p> <p>H-1 This comment indicates support for the project.
