4.1.3 Applicant-Submitted Material

The project applicant submitted project description, planning, design, and technical information to assist in the preparation of the Draft AEA and Final AEA. All submitted materials were subject to independent analysis and review by CDFW, CARB, and Ascent Environmental, a consultant under contract to CDFW. Material used in the preparation of the AEA has been cited in the document, included in lists of references, and made available in electronic files for review. In addition, other information and reports submitted by the applicant have been included in the administrative record. The project applicant's team preparing the submitted material consists of staff from the following companies:

Cardno

CONSOL Energy, Inc.

Fehr & Peers Transportation Consultants

Geosyntec Consultants

ICF International, Inc.

Meridian Consultants, LLC

Moffat & Nichol

PACE - Advanced Water Engineering

Ramboll Environ, Inc.

R2 Resource Consultants, Inc.

Stantec

UrbanTrans North America
