Subject: Newland Sierra

To Whom it may concern,
I strongly oppose the Newland Sierra project. Not only does it deviate from our general plan but the traffic concerns are formidable.

Even Cal Trans acknowledges that the developers are not being entirely honest (mis-leading) when it comes to traffic concerns on the I15 and off ramps. In addition, water use for this project has not been considered objectively.

Although we need affordable housing this is not that project. This project in my opinion would do little to help as it will not be affordable to most home buyers. Please carefully think this one out for the good of our community.
