- NO GHG STANDARDS**
- NO TO 28,000 CARS PER DAY**
- NO FIRE EVACUATION PLAN**
- NO BLASTING**
- NO NEWLAND SIERRA**

I-221-1

What about impact on Buena Creek?

Sevions concerns regarding
Newland Sierra project. In the past
Bryan our home owner's insurance has
X changed, not by desire. We've been
re-zoned high risk, and pay special
fire tax. What company will insure us
as the risk continues to escalate if we are
dropped again?
No on Newland Sierra!
X Keep to the General Plan.
