Dear Ashley,

I am oposed to the new project named: **NEWLAND SIERRA PROJECT** (formerly **Merriam Mountains**)

Some of my concerns are as follows:

- 20 times the planned residential density.
- new car trips
- 36% cuts to existing customers water supply.
- New building in a "very high fire hazard severity zone".
- Condemnation of property to widen road.
- Noise from 10 years of construction.
- Noise and polution from grading, blasting and rock crushing as well as all the dust will migrate to my present home causing undo stress on my peace and comfort for 10 years!

Please vote no on this project!
