To: Smith, Ashley
Subject: Newland Sierra Project

August 14, 2017

Dear Ashley,

I would like to address the many concerns about the Newland Sierra Project. The noise, pollution, congested roadways, extreme drain on our water resources, just to name a few. It would also impact our wild life and their natural corridor and the endangered Ca.gnat catcher and fairy shrimp. We live in Champagne Village and our quality of life would be impacted by this gigantic project.

I-341-1

Sincerely,

Yvonne Scott
