Subject: NEWLAND SIERRA PROJECT

DEAR MS. SMITH,

MY WIFE AND I RESIDE IN THE HIDDEN MEADOWS COMMUNITY IN THE UNINCORPORATED AREA OF THE COUNTY. A PUBLIC HEARING WAS HELD ON JULY 18, 2017 AT THE SAN MARCOS CIVIC CENTER REGARDING THE NEWLAND SIERRA DEVELOPMENT PROPOSAL.

I-379-1

WE SHARE THE OBJECTIONS EXPRESSED BY SPEAKERS AT THAT MEETING. SPECIFICALLY WE OBJECT TO THE FOLLOWING LIKELY IMPACTS OF THE PROJECT:

I-379-2

- A. TRAFFIC PROBLEMS ON I-15 WOULD BE EXACERBATED;
- B. THERE IS ALREADY A LACK OF ADEQUATE EMERGENCY ROUTES OUT OF OUR COMMUNITY; CONGESTION ON I-15 WOULD MAKE THAT PROBLEM WORSE;
- C. LOCAL SCHOOLS WILL BE HEAVILY IMPACTED; AND

I-379-3
I-379-4
I-379-5

- D. AN ALREADY OVERLOADED WATER SUPPLY WILL BE BURDENED FURTHER.

I-379-6

ALSO, SINCE THE PROJECT WOULD TAKE (10?) YEARS TO COMPLETE, THERE WILL BE A CONTINUING IMPACT ON THE SURROUNDING ECOLOGY LIKELY TO INCLUDE AIR POLLUTION AND NOISE THAT WOULD INTERFERE WITH THE PEACEFUL ENJOYMENT OF NEIGHBORING RESIDENCES AND DISRUPT THE DELICATE BALANCE OF THE ENVIRONMENT FOR WILDLIFE.

I-379-7

RESPECTFULLY, DANIEL SULLIVAN.
