Comment Letter I-422

-----Original Message-----

From: Robert Winje [<mailto:snbwinje@sbcglobal.net>]
Sent: Tuesday, August 08, 2017 9:01 PM
To: Smith, Ashley
Subject: Newland Sierra

Total non-conformance with the General Plan,
10 years of construction dust/debris,
unparalleled traffic congestion,
fire and safety potential problems,
and others make this project incompatible with any common sense evaluation.
It should be rejected!!

Bob Winje
20+ year resident, Hidden Meadows
