Subject: Opposition to Newland Sierra

My husband, Roy, and I oppose the Newland Sierra project on several levels. I I-59-1

The traffic at Deer Springs and I 15 is very busy and congested. This project will make a bad situation worse I I-59-2

We only really have one way out of Hidden Meadows in the event of a fire. This project will make our escape even more difficult. I I-59-3

Water is very dear at this point in our area. This project will make our access to water even more severe. The price of water as it is is outrageous. I I-59-4

Please consider our concerns and reject this project. I I-59-5
