hello Ashley--I would like to go on record of being 100% OPPOSED to the NEWLAND SIERRA project.

I-68-1

my reasons and my comments are below-- (and in my opinion, all common sense reasons and comments!!)..

1) traffic--EXITING from the 15 onto dear springs/mountain meadow exits --both north and south bound -- DURING PEAK HOURS daily are JAMMED NOW!--what in the world would they look like with over 2000 homes and the people and cars added...daily???

I-68-2

2) trying to get onto the north or southbound I-15 overtop of the bridge---the width of the bridge overtop the 15 at the deer springs/mountain meadow interchange---it just would NOT accommodate a huge increase in traffic due to the newland project

I-68-3

3)what happened to the county supervisors 3 to 2 vote to put a stop to the last attempt to build a similar community--

I-68-4

4)what happened to the existing zoned building plan for no more than 99 homes on this property ??????

I-68-5

please feel free to contact me--my name is : Arnold R Carter--29191 crystal ridge court, Escondido,ca 92026.

I-68-6

thank you!! ar carter
