Comment Letter I-89

Subject: Newland Serra
Date: Monday, August 14, 2017 2:54:25 PM

As a member of Deer Springs Oaks Sr Park located @ the corners of Mesa Rock and Deer Springs Rds, I am in complete objection to Newland Serra's plans to develop the Meriam Mountain property adjacent to Deer Springs Oaks. In spite of what the impacted local population is being told, this project would directly effect, in the most negative way, the serenity, mental as well as physical health and safety of our rual community for at least the rest of my years. For this and many other reasons, I am submitting my objection to the proposed Newland Serra Development.
