

I-108 Ashley Dummer (1)

- I-108-1** The comment states that the Draft EIR references getting water from the Central Valley Water Project; however, the Central Valley Water Project does not deliver water San Diego. Please refer to **Response to Comment A-9-7**. The Final EIR has been revised to note that water from the Colorado River is provided via the Colorado River Aqueduct, not the Central Valley Project. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project
