

I-130 Walid Farrukh (1)

- I-130-1** The comment states that I-15 and surrounding roads cannot handle the amount of traffic that will be generated by the project and that two lanes is not enough on Twin Oaks. The comment addresses general subject areas, which received extensive analysis in the Draft EIR, specifically in Section 2.13 Transportation and Traffic. The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
