- I-132-1** The County acknowledges the comment as an introduction to comments that follow. This comment is included in the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
- I-132-2** The County acknowledges the comment as an introduction to comments that follow. This comment is included in the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
- I-132-3** The comment states that when they first arrived to San Diego they were struck by the incredible natural beauty, but once they drove further south, it was flattened hill tops with houses lined up like soldiers. The County acknowledges the comment and notes it expresses the opinions of the commenter, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
- I-132-4** The comment states that the rural quality and physical beauty of the area are being eroded away with incompatible housing development projects. The County acknowledges the comment and notes it expresses the opinions of the commenter, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
- I-132-5** The comment asks why there is any consideration of violating the taxpayer-funded General Plan that was carefully thought out. See Topical Response to Comment **TR-LU-1 (General Plan Consistency)**. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
- I-132-6** The comment expresses concern over wildfire hazards and evacuation. Potential impacts as a result of wildfires have been adequately analyzed and disclosed in the Draft EIR in Section 2.8 Hazards and Hazardous Materials, Appendix N1 Fire Protection Plan, and Appendix N2 Evacuation Plan. Also see Topical Response to Comment **TR-HAZ-1 (Evacuation)**. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.

## Comment Letter Responses

---

**I-132-7** The comment asks that this project not be allowed to go through, as it will spoil a beautiful place.
