

I-133 Mary Ferro

- I-133-1** The comment expresses concern over the size of the project and impacts from traffic, noise, vibration, and emergency evacuation. The comment addresses general subject areas, which received extensive analysis in the Draft EIR. The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
- I-133-2** The comment states that they were evacuated in 2007 and were unable to reach a shelter with available oxygen to help the commentator's mother. An evacuation plan was prepared as part of the Draft EIR, Appendix N-2. Refer to **Topical Response** to Comment (Evacuation). The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
- I-133-3** The comment expresses concern over the amount of traffic that will be generated by the project a daily basis let alone an emergency situation. The comment addresses general subject areas, which received extensive analysis in the Draft EIR, specifically Section 2.13 Transportation and Traffic, and in Appendix N-2 Emergency Evacuation Plan. The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
