

I-147 Ana Futo (6)

I-147-1 The comment states that the commenter supports the preservation of 1,209 acres as permanent open space and the development of a comprehensive trail network. The comment requests the trail designs incorporate enough space for hiker and bikers.

The County acknowledges the comment, and notes it expresses general opposition for the project, but does not raise any issue concerning the adequacy of the Draft EIR. For that reason, the County provides no further response to this comment.
