

### I-184 Abigail Henry

- I-184-1** The comment asks why Newland gave “our” supervisor \$25,000 in campaign contributions. The County acknowledges the comment and notes it raises economic, social, or political issues that do not appear to relate to any physical effect on the environment. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required because the comment does not raise an environmental issue.
