

I-194 Diane Hoadley

- I-194-1** The comment states that the I-15 and surrounding roads are gridlocked during an evacuation event and that adding 2,135 new homes will not improve the situation. The comment also asks what the Deer Springs Fire Department has to say about this and if it's in writing. Refer to **Topical Response HAZ-1**, as well as Appendix N-2, Wildland Fire Evacuation Plan. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
