

### I-223 Geraldine Kaufman

**I -223-1** The comment states that the commenter supports the Project. The comment states that housing shortage has been discussed constantly on the news and asks how much longer the Board of Supervisors can put off voting for the creation of additional much needed housing. The comment states that a combination of middle-class homes and high end larger units need to be developed. The comment states that the Board of Supervisors had an opportunity to approve a project on the Site in 2010. The comment states that the San Diego City Council is taking additional steps to streamline and make approval of housing projects faster and allow for additional construction of granny lofts. The comment states that North County cannot afford to wait until the situation turns into a crisis.

The County acknowledges the comment and notes it expresses the opinions of the commenter, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
