

I-256 Paul Loska

I-256-1 The commenter explains that they read in the Union Tribune that the Golden Door Spa opposes the Project and that Golden Door was considering gathering signatures for a referendum to overturn the Supervisors' approval. The commenter explains that the County currently is in a housing crisis and the project would provide much needed housing; therefore, he does not support Golden Door Spa's opposition. The commenter states that Golden Door is going out of their way to undermine the process.

The County acknowledges the comment and notes it expresses the opinions of the commenter, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
