

I-284 Debra Mirr

- I-284-1** The comment states that the Project would be detrimental to the area due to increased light pollution. The comment explains that the observatory at Palomar Mountain relies on night sky in North County to maintain darkness at night.

These topics were discussed in Section 2.1.3.3, Light and Glare, of the Draft EIR. It was determined that the proposed project would have a less than significant impact associated with light and glare, and no mitigation would be required.

The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.

- I-284-2** The comment states that circadian rhythm is disrupted by artificial light, which has ill effects on human health, plants, and animal life. The comment provides these effects in detail.

It was determined that the proposed project would have a less than significant impact associated with light and glare, and no mitigation would be required.

The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.

- I-284-3** The commenter explains that they do not want the zoning to change for the Project site, to accommodate more homes. The commenter explains that there are thousands of homes for sale.

The County acknowledges the comment and notes it expresses the opinions of the commenter, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR or within the meaning of CEQA. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.

- I-284-4** The commenter explains that they are opposed to the Project and they want the rural character to be maintained.

The County acknowledges the comment and notes it expresses the opinions of the commenter, and does not raise an issue related to the adequacy of any specific section
