

### I-293 Steve Nelson

**I-293-1** The commenter explains that they are in support of the Project. The commenter explains that they are an advocate for quality public schools and emphasizes the importance that all school districts that would serve the Project would work together to make high quality schools a priority. The comment explains that the three school districts are required to ensure that sufficient resources are available at the local level to serve the students for all planned projects starts in the community. The commenter urges that school mitigation fees collected from the Project be used effectively and would go into tangible improvements as an effort to improve schools in the area surrounding the Project. The comment states that the Project should contribute its fair share, because these fees are required by law. The comment states that the school being proposed near the Project's town center would benefit the Project and residents. The commenter explains that they hope that various methods of transportation from the neighborhood and from homes outside the neighborhood to the school will be available to transport students while reducing traffic.

The County acknowledges the comment and notes it expresses the opinions of the commenter, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
