

### I-31 Mary Berry

- I-31-1** The comment expresses concern regarding the increase in cars, potential inability for emergency vehicles to get down the road, and an increase in fire danger due to not being able to get in and out. The comment also asks where the water supply will be coming from. The County acknowledges the comment and notes that it addresses general subject areas, traffic, emergency access, water supply and fire danger, which received thorough analysis in Sections 2.8, Hazards and Hazardous Materials, 2.13, Transportation and Traffic, 2.14, Utilities and Services Systems, and 3.5, Public Services, of the Draft EIR. As no more specific issue is raised as to the adequacy of that analysis, no further response can be provided or is required. The commenter is also referred to **Topical Responses UTL-1, UTL-2, TR-1, TR-2, and HAZ-1.**
