

I-310 Cindi Peterson

I-310-1 The comment states that the Project is not in compliance with the General Plan.

Please refer to **Topical Response LU-1** The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.

I-310-2 The comment states there would be water, fire, traffic, and infrastructure issues and asks that the County does not let this happen.

The comment raises general subject areas, which received extensive analysis in the Draft EIR, specifically Section 3.5 Public Services, Section 2.13 Traffic and Transportation, Section 3.2 Hydrology and Water Quality, Section 2.8 Hazards and Hazardous Materials, and Section 2.14 Utilities and Service Systems. The County notes the comment expresses the opinions of the commenter, and does not specifically state which impacts to wildlife would occur. As the comment does not raise any specific issue regarding that analysis, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
