

### I-385 Robert Thompson

**I -385-1** The commenter explains that since moving to Hidden Meadows, I-15 traffic has increased exponentially and travel is much more difficult. The commenter explains that they would hate to see the area rezoned to higher density housing.

The comment addresses traffic issues, which received extensive analysis in the Draft EIR, specifically in **Section 2.13 Transportation and Traffic**. The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
