

### I-391 MaryAnn and Wesley Truesdale

- I-391-1** The County acknowledges the comment as an introduction to comments that follow and notes the comment provides background information and does not raise an environmental issue within the meaning of CEQA. This comment is included in the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
- I-391-2** The comment addresses General Plan compliance, which received extensive analysis through the Draft EIR. Please refer to **Topical Response LU-1** for more information on the project's compliance with the General Plan. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
- I-391-3** The comment states the project will require existing customers to reduce water usage if the proposed project is approved. The County does not concur. Please see **Topical Response UTL-2**.
- I-391-4** The County acknowledges the comment and notes it expresses the opinions of the commentator, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
