

I-395 Jon Vick

- I -395-1** The comment states that there is too much fire danger and that the Project would result in big evacuation issues.

An evacuation plan was prepared as part of the Draft EIR, Appendix N-2. Refer also to **Topical Response HAZ-1**. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.

- I -395-2** The comment states that there would be too much increased traffic and that roads are already jammed.

The comment addresses traffic issues, which received extensive analysis in the Draft EIR, specifically in Section 2.13 Transportation and Traffic. The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.

- I -395-3** The comment states that the area should remain as it is zoned for 99 homes with open space.

Please refer to **Topical Response LU-1**. The County acknowledges the comment and notes it expresses the opinions of the commenter, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
