

I-40 Karen Binns (4)

- I-40-1** The comment states that they would like to submit two attached articles as comments on the Draft EIR. The County acknowledges the comment as an introduction to comments that follow. This comment is included in the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
- I-40-2** The comment is an article from the Los Angeles Times titled “L.A. requires air filters to protect residents near freeways. Are they doing the job?” The County notes the comment provides factual background information and does not raise an environmental issue within the meaning of CEQA. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required because the comment does not raise an environmental issue.
- I-40-3** The comment is an article from the New England Journal of Medicine titled, “Air Pollution and Mortality in the Medicare Population.” The County notes the comment provides factual background information and does not raise an environmental issue within the meaning of CEQA. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required because the comment does not raise an environmental issue.
