

I-404 Laura Walker (2)

I -404-1 The commenter explains that they object to the project and that the \$18 million spent to discourage development was a waste of good money. The comment states that there would be significant and unavoidable impacts and that many of the existing residents would be impacted. The comment states that the developers of the project would not live with the mess resulting from the project. The comment states that the community has been through this in the past. The comment states that the Planning Commission and the County Board of Supervisors should support the opposition.

The County acknowledges the comment and notes it expresses the opinions of the commentator, and does not raise an issue related to the adequacy of any specific section or analysis of the Draft EIR. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project. No further response is required or necessary.
