

### I-418 Joey Westmoreland

- I-418-1** The comment addresses traffic, which received extensive analysis in Section 2.13, Transportation and Traffic, the Draft EIR. The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
- I-418-2** The comment states existing VWD customers will face additional water use restrictions if the proposed project is approved. The County does not concur. Please see **Topical Response UTL-2**. No further response is required.
- I-418-3** The comment addresses general subject areas (noise, fire danger), which received extensive analysis in Sections 2.10, Noise, 2.8, Hazards and Hazardous Materials, and 3.5, Public Services (Fire) the Draft EIR. The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
