

I-79 Deanna Clatworthy

- I-79-1** The comment states that the main concerns of the proposed project are water supply, fire evacuation, and noise and dust from rock crushing. The comment addresses general subject areas, which received extensive analysis in the Draft EIR. See **Topical Response HAZ-1, AQ-1, and UTL-1**. The comment does not raise any specific issue regarding that analysis and, therefore, no more specific response can be provided or is required. The County will include the comment as part of the Final EIR for review and consideration by the decision-makers prior to a final decision on the project.
