My concerns center around the other roads in the area of Hwy 94 that have not had the promised work done for the addition of the casino - When you add these projects to the mix, the drive along Hwy 94 getting to Dulzura and Deerhorn Valley becomes ever longer and more dangerous. Intersections at Jefferson, Lyons Valley, Steele Canyon are already very impacted by the high school & the casino - more traffic from down south to avoid 125 Hwy blocks will only make it worse
