DRAFT ENVIRONMENTAL IMPACT REPORT (EIR) COMMENT SHEET

Mr Mattson,

I have recently heard of this proposed project.

Therefore, I have not had the time to review all the materials including the EIR and all the pertinent materials relating to the impact on the community of Jamul.

I ask you to make meetings available so the community can get information on the impact on our infrastructure and roads. Please extend the date for review of this project and set up meetings for our community to discuss and learn about this.

I appreciate your thoughtfulness.

Thank you,

Jan McBride
