Dear Mr. Mattson:

Please find the attached public comments form that is attached. I am strongly opposed to the proposed development in Proctor Valley for the reasons stated, as well as the reasons given by other community members.

DRAFT ENVIRONMENTAL IMPACT REPORT (EIR) COMMENT SHEET

I strongly oppose the proposed development along Proctor Valley Rd. The residential roads from PVR east to Hwy 94 can not sustain large volumes of traffic. Hwy 94 from Jamul to Rancho San Diego is unbearably congested now. Events at the Hollywood Casino create life-threatening conditions along the road when there are accidents or fires. Caltrans has no plans for road improvement.

There would not be enough open space for wildlife. Rancho San Diego is already experiencing problems w/ wildlife in their community as there is already a substantial loss of habit for native plants & animals in East County.
