PUBLIC REVIEW MEETING COMMENT SHEET

I am a longtime & current resident of Jamul. I feel strongly that any development as large as Village 14 would need to stay within the General Plan 2020 guidelines. Any variation from that should not be approved by few supervisors, but by the voters of the community. Such a housing development as Village 14 has many far reaching ramifications to the families & community for many miles around, especially in a rural area, so the vote of the local & nearby residents should be followed rather than the desires and plans of a few supervisors and developers & contractors.
