DRAFT ENVIRONMENTAL IMPACT REPORT (EIR)
PUBLIC REVIEW MEETING COMMENT SHEET

I am a long-time and current resident of Jamul.
I feel strongly that any development as large as Village 14 would need to stay within
the General Plan 2020 guidelines. Any variation from that should not be approved by few
supervisors, but by the votes of the community.
Such a housing development as Village 14
has many far-reaching ramifications to
the families and community for many miles
around, especially in a rural area, so the
vote of the local & nearby residents should
be followed rather than the desires and plans
of a few supervisors and developers & contractors.
