

I-30 JOCYLN PARKER

I-30-1 The comment addresses concerns about traffic impacts from the casino (not part of the Proposed Project) and the number of houses being built under the Proposed Project. The Proposed Project's traffic impacts were analyzed in Section 2.9, Transportation and Traffic, of the Draft EIR.

The Draft EIR provides analysis and modeling that takes into account the traffic from the casino operations and these are further described in the regional traffic analyzed in Appendix 2.9-1, Transportation Impact Study. This comment does not raise an issue regarding the adequacy of the Draft EIR; therefore, no further response is required or provided.

I-30-2 The commenter expresses concern about a lack of road improvements and the construction of sewer instead of septic. The Draft EIR analyzes the Proposed Project's traffic impacts in Section 2.9, Transportation and Traffic, and wastewater impacts are analyzed in Section 3.1.8, Utilities and Service Systems. The County refers the commenter to **Thematic Response – Septic/Sewer**. The comment does not raise an issue regarding the adequacy of the Draft EIR; therefore, no further response is required or provided.
