

COMMENTS RECEIVED FOLLOWING JULY 9, 2020 MEETING

- Well to parcel map
 - SP084 serves two residences in this location
 - Add #29 Designation
 - Review pipeline sketch
 - SP084 is domestic only
 - SP043 is used for agriculture and domestic
 - SP065 is agriculture only
 - SP043 provides to residences
 - SP011 is agricultural and domestic
 - SP013 does not service parcel #14, SP013 services a 10-acre parcel not shown, drawn parcel boundary for reference
 - SP001 is inactive
 - CONS1 well added
 - SP076 & SP079 are agricultural only
 - Parcel 36 lumps a few parcels, comment helped clarify and improve parcel identification.
 - Various updated provided for wells in the Witman Ranch parcels.

- Land Use maps
 - The floor of Rockwood Canyon was used to nursery operations from 2004 to 2009. In 2010 the use transitioned from nursery to citrus. Approximately half the valley was planted in citrus by August 2010 and all of it by the end of 2010 to the best of our recollection.
 - List provided of wells used in Rockwood Canyon from 2004 to 2019
 - Truck Crops were correct in 2005, but not correct in 2018, comment provided correct crop types over the requested time period.

- Extensive discussion about nitrate and TDS levels and potential sources discussed in emails
 - Corrections have been included in minutes
