The applicant requests a Minor Use Permit (ZAP) Modification for the removal and replacement of six antennas to an existing 45-foot tall faux mono-pine and the removal and replacement of ancillary equipment within an equipment enclosure for a wireless telecommunication facility located in Felicita Park. Supporting equipment for the site is located within a 12-foot tall equipment enclosure designed as a shed located adjacent to the existing 45-foot tall faux mono-pine. The project is subject to the Open – Space Recreation (OS-R) and is zoned Open Space (S80) which permits Wireless Telecommunication Facilities with the approval of a Minor Use Permit Modification for a facility authorized by a previously approved Minor Use Permit in accordance with Section 6985B of the Zoning Ordinance.
