San Diego County Zoning Administrator How to Comment on a Meeting Agenda

Due to the Coronavirus (COVID-19) public health emergency, the County of San Diego has made several changes to the Zoning Administrator meetings to protect the public's health and prevent the disease from spreading. Per the Governor's executive order to stay home, in person participation at Zoning Administrator meetings is not allowed at this time. The public may participate in the meetings via teleconference instead of attending in person. All instructions can be found at www.sandiegocounty.gov/pds/ZAhearing

Here are the ways you can share your opinions!

Submit an eComment

The most direct way to voice your opinion for upcoming Zoning Administrator meeting agenda items is through a service called eComment. You can start submitting eComments when the agenda is released, typically 10 days before the hearing. The eComments are sent to the Zoning Administrator and Planning & Development Services staff for their review.

Public communication eComments for non-agenda items will be read into the record at the Zoning Administrator Meeting. Public comments on agenda items will be available to view online after the meeting. The number of comments received on each agenda item will be stated during the meeting. All eComments will be entered into the administrative record of the meeting.
