COUNTY OF SAN DIEGO**

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of San Diego will hold a public hearing on a County initiated General Plan Amendment and Rezone.

Date: June 18, 2014 at or after 9:00 A.M.

Place: County Administration Center, Room 310, 1600 Pacific Highway, San Diego, CA

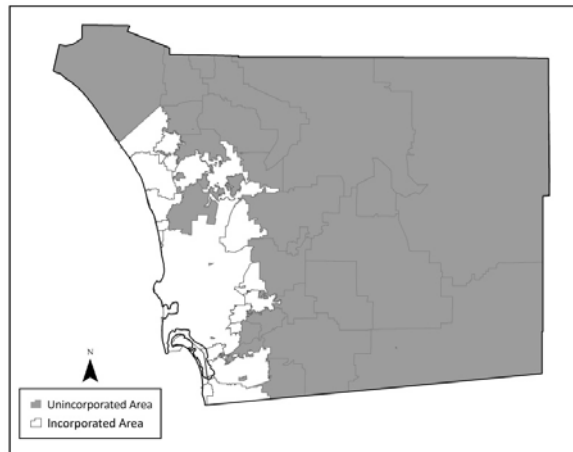

Project: 2013 General Plan Clean-Up General Plan Amendment and Rezone [GPA 12-007; REZ 13-002]

**PROJECT DESCRIPTION:** The County of San Diego Planning & Development Services proposes a General Plan Amendment (GPA) and Rezone to facilitate the proposed changes associated with the 2013 General Plan Clean-Up. As part of the August 3, 2011 adoption of the General Plan Update, the County Board of Supervisors directed staff to bring forward a General Plan 'clean-up' every two years in the form of a GPA. The Clean-Up GPA is intended to provide a mechanism for making minor changes to the General Plan to correct any errors or discrepancies discovered during the Plan's implementation or to reflect changes in circumstances.

This is the first Clean-Up processed since the adoption of the General Plan Update. The types of changes in the Clean-Up fall into the following categories: Land Use Map changes, Land Use Element changes, Conservation and Open Space Element changes, Safety Element changes, Mobility Element Network changes, community/subregional plan changes, a change to the Glossary, and zoning reclassifications for consistency with the proposed Land Use Map changes.

Properties affected by this project are located in the unincorporated part of the County of San Diego. The proposed GPA and zoning reclassifications can be viewed at:
