* Pro formas – former/current agricultural areas – phase 2.

Lifetime in our community

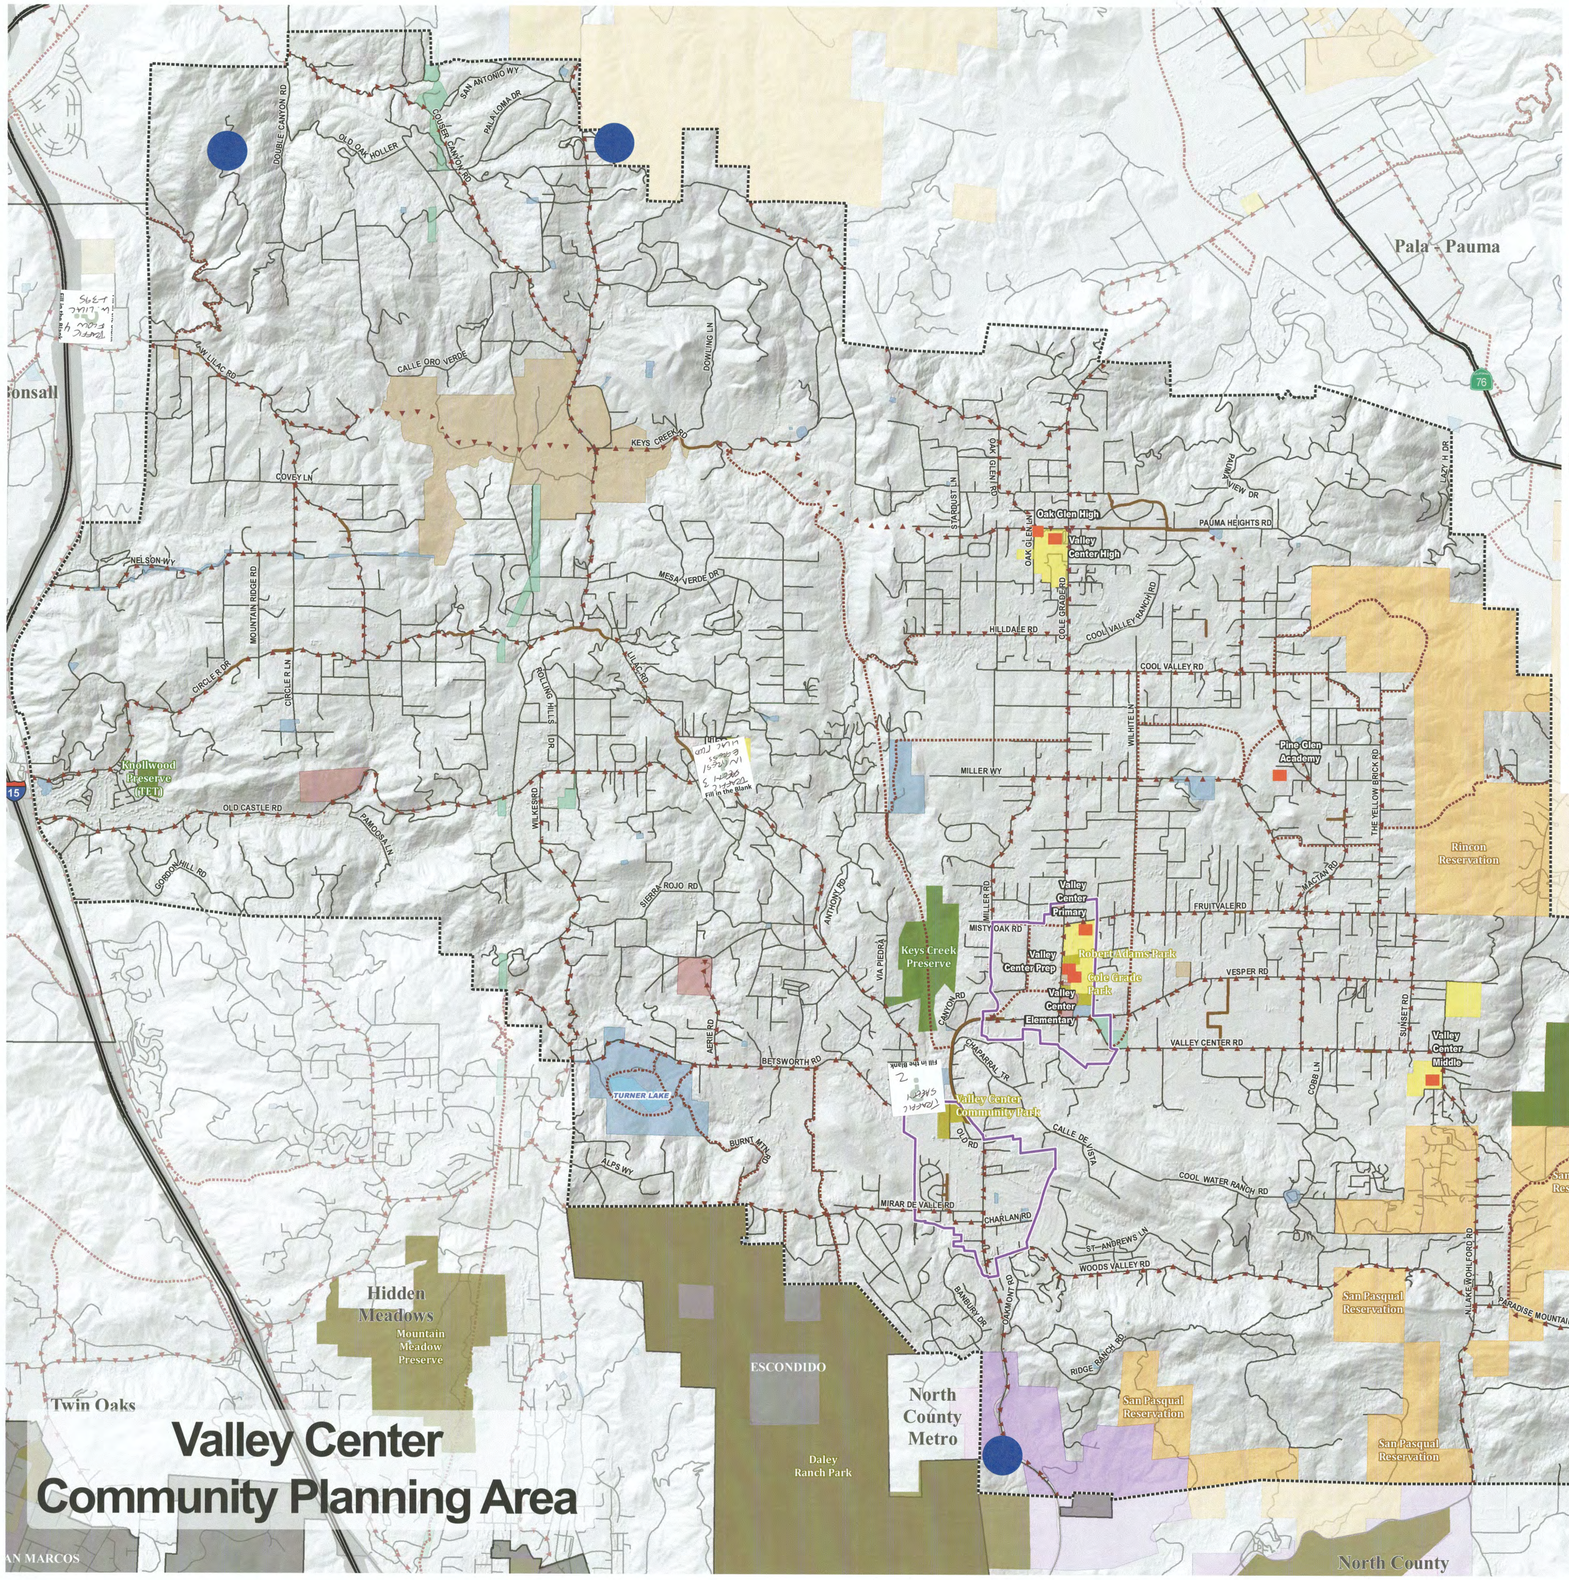

Lilac Plaza area – young people – no multi family/townhomes.
- young people move back for rural character
- mixing of young/older people – interaction not separation of housing
- no mixed use in Valley Center.
- support accessory dwelling units
- higher density housing in Villages.
- Park Circle development – don't fit into the Valley Center character.

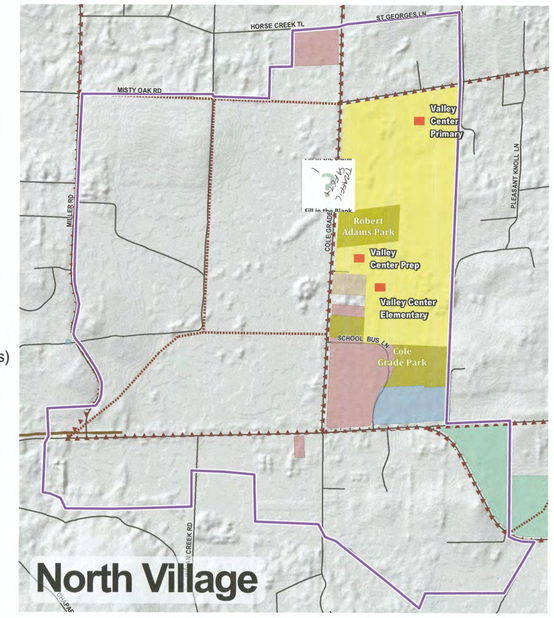

~~Mobility~~

Rural Character
- Night sky
- Space b/w neighbors
- How you feel in the openspace
- Natural
- you can breathe
- quality
- low density
- sand barrier are antithesis

In Villages
- green areas
- walkability

N 0 0.5 1 Miles

- Country Rds (W Lilac from Lilac to Cricket)
- Preserve Oak Trees
- Lilac from ~~Bobcastle~~ to West Lilac
- Dirt Roads

COUNTY OF SAN DIEGO
PLANNING & DEVELOPMENT SERVICES

Theme 1 - Rural character (4)

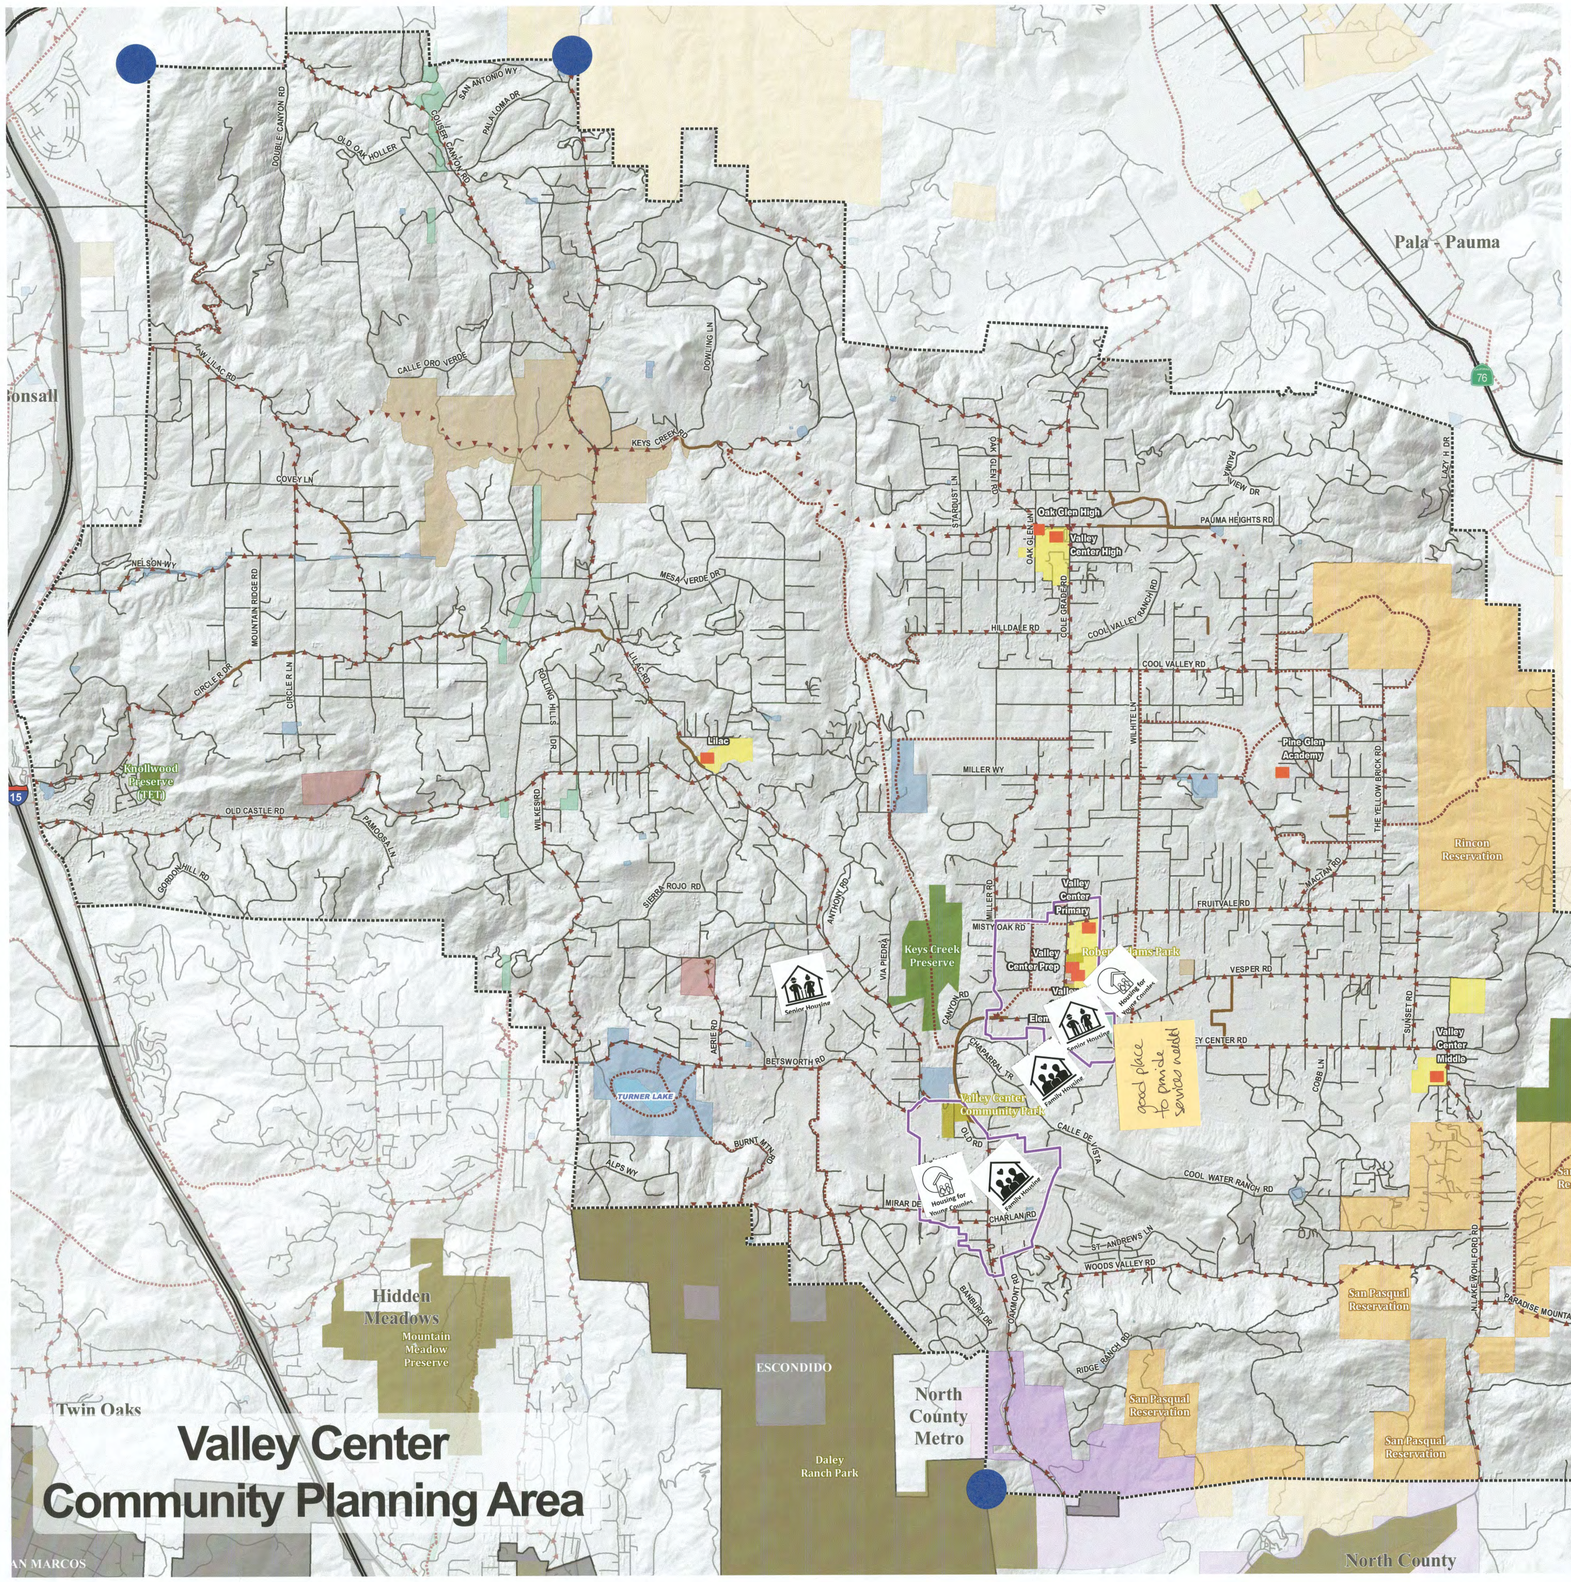

- Lilac ranch - preserve
- wildlife, (preserving) night sky, history (stage coach line, post office)
- space between neighbors, knowing your neighbors
  "friendliness" among people, break from city
  "I can breathe"
- lower density of housing
- Villages - walkability, easement, green areas
  - no sound barrier (Park circle)
  → agriculture throughout VC
- Support the RCA's for no housing
- Country roads - W. Lilac (views, oaks, bikes)
  → scenic road
- Large roads to accomodate big rigs

GROUP EXERCISE

STATION 4

Regional Trails

- Proposed

Community Trails

- Proposed Trails
- Proposed Pathways
- Existing Trail

- Park Circle Project – targeted young couples
- Hideaway Lake – 55+
- Mobile Home Parks
- Retirement Homes?
- No medical center / hospital – urgent care
- Villages in theory could be good place to provide services needed for seniors & families
- Architecture that blends in
- Cap buildings to 2 story
- Farm-style, rustic, packing house

N 0 0.5 1 Miles

COUNTY OF SAN DIEGO
PLANNING & DEVELOPMENT SERVICES

STATION 4

Theme 2 – Aging in Place

- Park circle + Orchard Run – multi age, downsize, Seniors
- Mobilehome Parks – 50+ years old
- independent living, assisted living – far from hospitals, dr offices (currently small facilites), urgent care
  → locate in villages

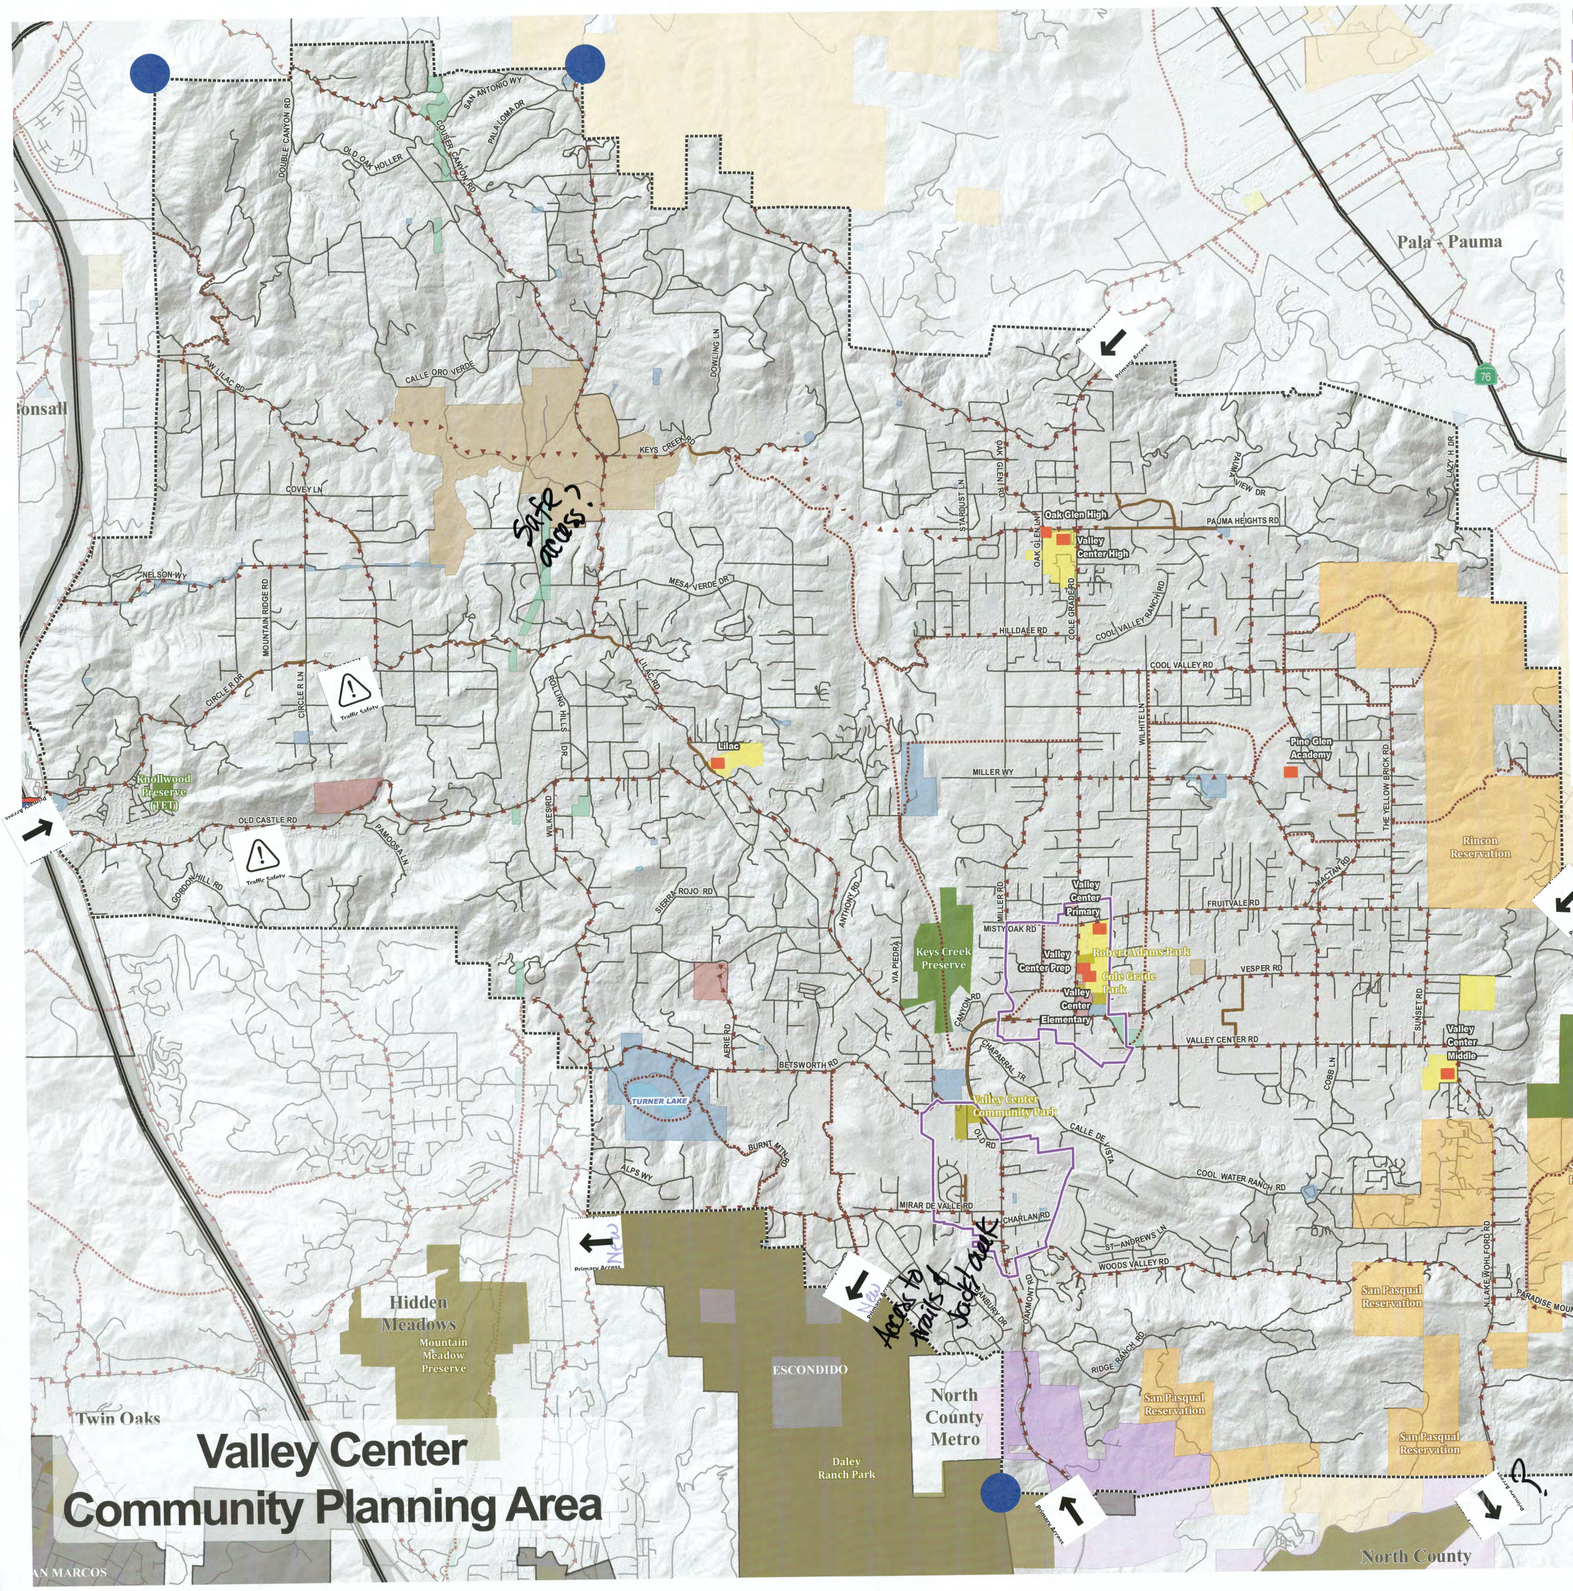

* villages – walk to grocery stores (lower speeds)
  – architectural conventions, but include more services

- No 4th story like Escondido / close to sidewalk 3 stories
- Okay with mixed use to retain historic/rural character (old CA style) – packing house, farm style, rustic
  – Old town Julian – 1-2 story, main street, shops
- Balance quality of life to retain people while growing/drawing in younger families

GROUP EXERCISE

STATION 4

- Existing Trail

Seconday circulation network to support walking in villages

Not a lot of access
Improvements to Old Castle
119 mi of non-motorized trails – rural character
Safe evacuation – limit development

N 0 0.5 1 Miles

Colegrade Rd. – bike/ped facilities

COUNTY OF SAN DIEGO
PLANNING & DEVELOPMENT SERVICES

STATION 4

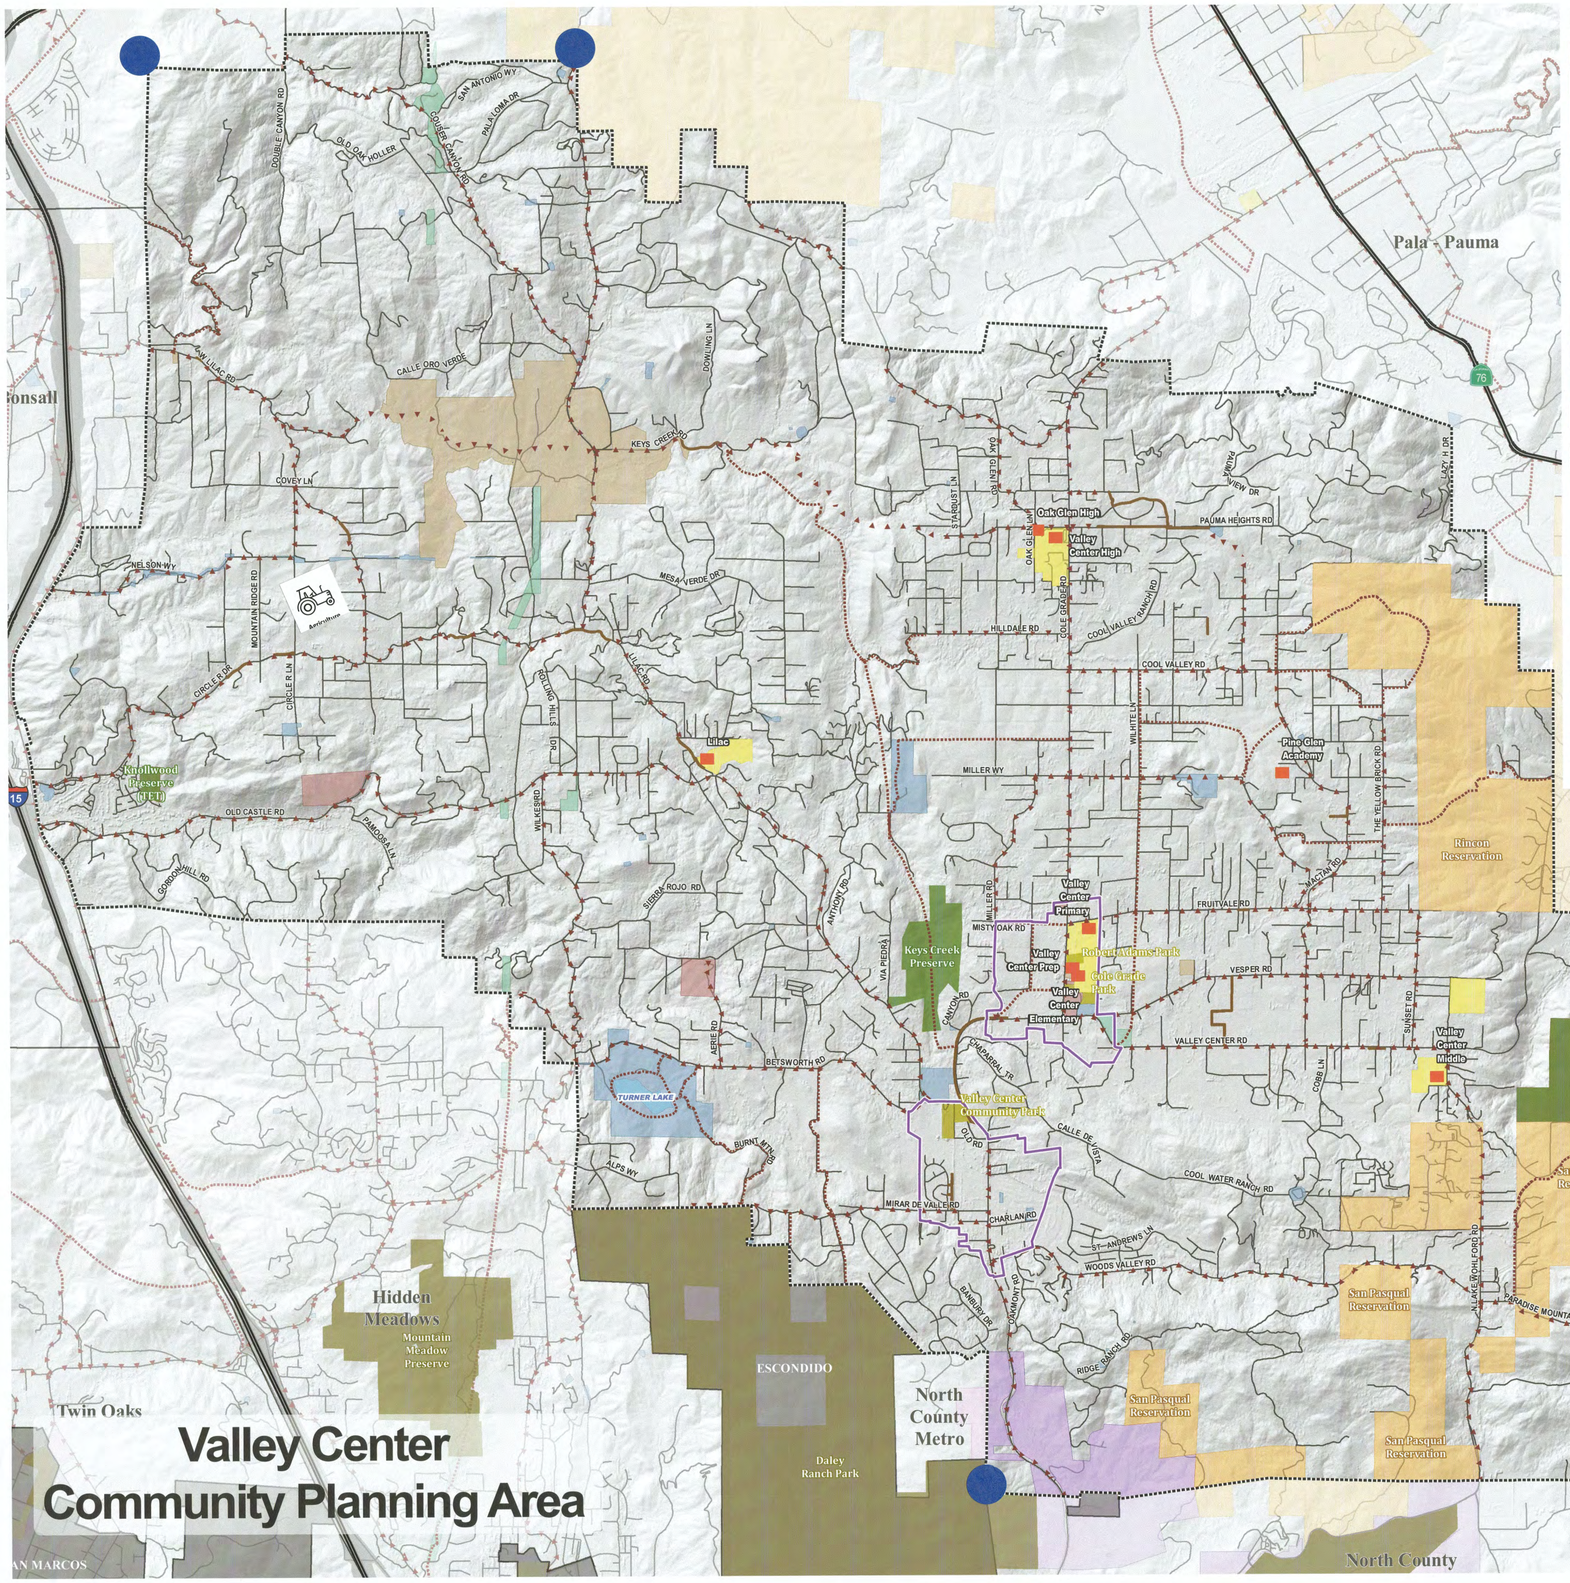

Theme 3 — Mobility + Access

- Huge issue - not a lot of access
- ~4 access points existing
  → look @ Mirar de Valle as new access point
  → connectivity to Daley Ranch / access to Jack's creek loop trail
- 9 accidents on old Castle + Lilac
- road to Hellhole canyon / access
- 119 non motorized trails - rural character
  → more equestrian trails
- Not safe to evacuate (Lilac Hills)
  — narrow roads, too many cars
- 1-15 fires causing local congestion
- no devel. until roads addressed
- balance "rural character" of narrow roads w/ wider roads / ↑ safety

GROUP EXERCISE

Focus Econ. Dev. in villages

- outside villages – concern w/ depletion of groundwater
- No big box stores – no greater than 30k sf
- Remote work space to telecommute
- Incentive for Ag to stay

N 0 0.5 1 Miles

STATION 4

Theme 4 – Economic Vitality

- place businesses in villages
- water usage needed for businesses
- ~~tt~~ agriculture needs water (restricted by groundwater/water district boundaries)
- No costco/big boxes, square footage bypnd ∠ 35,000
- Prefer local providers, no non-local
- no more gas stations
- library w/ remote working/place for remote working hub
- agriculture incentive to stay (watermise)
