Valley Center Community Plan Update
Goals and Policies
Proposed Order and Count by Category

Purple rows are the goals and policies pulled for discussion. White rows are the goals and policies passed on the consent calendar, for which the initial staff recommendation was *recommend inclusion*, *recommend inclusion with revision*, or *review similar existing/proposed goals/policies.* The white rows are only referenced for comparing similar goals and policies.

☐ = Items covered during the October 22 meeting, with the Subcommittee passing recommendations

The yellow rows signify the start and end of items targeted for deliberations during the November 12 meeting.
