This map is an estimate of the number of existing and future dwelling units allowed for the unincorporated area. Total capacity may not be built and requires permits. Site constraints such as animal habitats, steep slopes, and flood areas may reduce the total capacity.

2011 General Plan
Allowed
DWELLING UNITS
31,672

This map is an estimate intended for discussion purposes only. This map is a representation of permitting data extracted from the County of San Diego Planning and Development Services.
This map shows the estimated reduction in the General Planning dwelling unit capacity since 2011. These reductions are due to annexations of land by surrounding cities, land acquisitions by State, Federal, or Tribal entities, and conservation programs.
