I2-1

NO! On the proposed general plan amendment for NC37  
NO! POOR ACCESS!  
FIRE hazards!  
One lane in/out  
steep slopes.  
A horrible idea.  
NO on NC37

Sincerely,  
Diana Redden Shreves

**I2-1** The County acknowledges the commenter's opposition to proposed changes for PSR Analysis Area NC37. This comment refers to poor access, fire hazards, and steep slopes. Analyses of emergency access and fire hazards are included in Sections 2.7.3.7 and 2.7.3.8 of the Draft SEIR, respectively.

This comment does not raise concerns regarding the adequacy of the Draft SEIR, therefore, no further response is necessary.
