If yes, please provide the use permit project ID: _____

- | | | |
|--------------------------|--------------------------|--|
| <input type="checkbox"/> | <input type="checkbox"/> | The project will have significant impact to aesthetics |
| <input type="checkbox"/> | <input type="checkbox"/> | The project will have impacts to historic or prehistoric resources |
| <input type="checkbox"/> | <input type="checkbox"/> | The project will conflict with the County Noise Ord. No 36.404 |

The language below shall be placed on the face of the plans and will become a permit condition:

- "To avoid harm to any mature oak trees, the applicant will not place any concrete, fill, or grade within the canopy of any mature oak tree unless an arborist provides direction and certification that such construction would not cause harm to the tree".
- "If existing landscaping is to be removed, the applicant will replace it in kind".
- "Construction Activities will not occur before 7 a.m or after 7 p.m. nor will any construction occur on Sundays or holidays as defined by the County Noise Ordinance No. 36.404 without first obtaining a noise variance."
- "No grading, fill, or any construction activities are permitted within a creek or wetland area."

I hereby certify the above answers are true and correct to the best of my knowledge:
