 Campo Wind tribal oppo petition 1-24-20.pdf

Hello Susan,

Please include the attached cover letter and petition into the Boulder Brush DEIR record from Michelle Cuero with 8 pages and 65 signatures from Campo tribal members who oppose the Campo Wind project and related Boulder Brush facilities. It is the same petition that she announced at last night's public meeting on the DEIR.

Campo Chairman Harry Paul Cuero, Jr.was served with the petition on January 23rd by Dennis Largo, a tribal elder.
