CAMPO WIND PROJECT WITH BOULDER BRUSH FACILITIES DRAFT EIR DRAFT EIR PUBLIC MEETING – JANUARY 23, 2020 COMMENT SHEET

I am opposed to TerraGen's Boulder Brush Facilities, Campo Wind and Torrey Wind Projects. [111-1

Turbines are not "green". Oil runs down their exterior bodies. Thus, the increased fire risk, damage to wildlife and pollution of groundwater. [111-2

Human health is also damaged. Aging is enough of a challenge. It's not necessary to add shadow flicker, noise and warning lights to name a few. [111-3

Just look at Table Es-1 "Summary of Significant Effects". We must accept it if its okay with you! Put the turbines on your property, not mine! [111-4
