

### I2 Jodi Crow

- I2-1** The comment states the Campo Wind Project with Boulder Brush Facilities (Project) and the Torrey wind turbine project will cause a number of problems for neighbors. The comment also provides information regarding the commenter's personal past in searching for a home to purchase within the vicinity of the Project. The comment does not raise an issue regarding the adequacy of the analysis contained within the Draft Environmental Impact Report; therefore, no further response is required.
