

### **I9 Ryan Peterson**

- I9-1** The County of San Diego acknowledges the comment and notes that it expresses opposition to the Campo Wind Project with Boulder Brush Facilities (Project) but does not raise any issue concerning the adequacy of the Draft Environmental Impact Report (EIR). No further response is required.
- I9-2** The comment states that the author is opposed to the Project due to health concerns. Please refer to Global Response GR-2, Public Health. This comment does not raise a specific issue concerning the adequacy of the Draft EIR; therefore, no further response is required.
- I9-3** The comment states that the turbines would be an eyesore, would wreck the commenter's beautiful views, and would bring down property values. For a discussion regarding aesthetic impacts, please refer to Chapter 2.1, Aesthetics, of the Draft EIR. Please also refer to Global Response GR-8, Visual Impacts. In regard to property values, please refer to Global Response, GR-1 Socioeconomic Impacts.
- I9-4** The County of San Diego acknowledges the comment and notes that it provides concluding remarks that do not raise any issues concerning the adequacy of the Draft EIR. No further response is required.
